

# ATHLETIC REGISTRATION INFORMATION-TAOS HIGH SCHOOL

## Athletic Participation

As in year's past, in order to participate in any sport at Taos Municipal Schools, all athletes must complete the following items prior to participation in practices and competitions. This year, however, we have one significant change: ALL paperwork will be submitted electronically via RankOne Sport (more information below).

## Athletics Registration

Go to : <https://www.rankonesport.com/content/>

Click on red "Parents Click Here" button at top of the page

Click on "Online Forms" (top left box)

Click on "New Mexico"

Click on "Taos Public Schools"

Review instructions and then click on the "Proceed to Online Forms" button

Click on the "New to RankOne? Create New Account" button and follow the prompts\*

Once you have created your account, you will need your athlete's last name and LAPS Student ID# to complete the Registration process. (A tutorial has been attached to this email with further instructions).

The Athletics office will be able to see when your athlete's registration has been submitted. Nothing needs to be printed or sent in by you when you complete this step/process.

Medical Examination (completed on or after April 1st, 2020); Forms are attached as a printable form or you can get this one form in the athletic office.

Pages 1-3 are completed by parent/guardian & athlete

Page 4 is completed by health care professional

Once completed, upload to the athlete's RankOne Sport profile.
