Additionally, the prime contractor must receive approval, in writing, from the School District before any subcontractor is used during the term of this agreement. Use of subcontractors must be clearly explained in the proposal, and each must be identified by name. Substitution of subcontractors, after contract award, must receive prior written approval of the Agency.

5. Amended Proposals

An offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be completely replaced a previously submitted proposal and must be clearly identified as such in the transmittal letter. School District personnel will not merge, collate, or assemble proposal materials.

The proposals will be kept confidential until a contract is awarded by the awarding authority. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material which is proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements.

Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the remaining portions of the proposal. Confidential data is normally restricted to confidential financial information concerning the Offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-I to 57-3A-7 NMSA 1978. The price of products offered, or the cost of services proposed shall not be designated as proprietary or confidential information.

If a request is received for disclosure of data for which an offeror has made a written request for confidentiality, the Chief Procurement Officer shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. 14. Basis for Proposal

Only information supplied by the School District in writing through the Procurement Manager or in this RFP should be used as the basis for the preparation of offeror proposals.

15. Contract Terms and Conditions

The contract between Taos Municipal Schools and the contractor will follow the format specified by the School District and contain the terms and conditions set forth in a negotiated contract unless otherwise agreed to by the Schools. The contents of this RFP, as revised or supplemented, and the successful Offeror's proposal will be incorporated into and become part of the contract. The School District reserves the right to negotiated provisions in addition to those contained in an RFP Sample Contract (if applicable) with any offeror.

Taos Municipal Schools discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract (if applicable/included). Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the School District (and its evaluation team), the proposal appears to be conditioned on the exception or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require substantial proposal rewrite to correct.

Should an offeror object to any of the School District's terms and conditions as contained in this RFP strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The School District may or may not accept the alternative language, at the School District's sole discretion. General references to the Offeror's terms and conditions or attempts at complete substitutions of the RFP or any Sample Contract are not acceptable to the School District and **will** lead to disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording in order for the proposed alternate wording to be considered.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (The RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with their proposal a complete set of any additional terms and conditions which they request are included in a contract negotiated with the School District. The School District may or may not accept the additional language, at the School District's sole discretion.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation, will be discussed only between the School District and the selected offeror and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any offeror who is not a responsible offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85 NMSA 1978.

19. Disclosure Regarding Responsibility

Any prospective Responsible Offeror and/or any of its principals who seek to enter into a contract greater than twenty thousand dollars (\$20,000.00) with a State agency or Local

Public Body for professional services, tangible personal property, services or construction agrees to disclose whether they, or any principal of their company:

 - i. Taxes are considered delinquent if both of the following criteria apply:
 - (a) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge.
 - (b) In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
 - ii. The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
- e) Have, within a three-year period preceding this offer, had one or more contracts terminated for default by any federal or state agency or local public body. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities. The Offeror shall provide immediate written notice to the Procurement Manager or Buyer if, at any time prior to contract award, the Offeror learns that its disclosure was erroneous when submitting or became erroneous by reason of changed circumstances. A disclosure that any of the items in this requirement exist will not necessarily result in withholding an award under this solicitation. However, the disclosure will be considered in the determination of the Offeror's responsibility. Failure of the Offeror to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.
- f) Nothing contained in the foregoing shall be construed to require establishing a system of records in order to render in good faith the disclosure required by this document. The knowledge and information of an Offeror is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts. If, during the performance of the contract, the contractor is indicted for or

otherwise criminally or civilly charged by any government entity (federal, state, or local) with commission of any offenses named in this document the contractor must provide immediate written notice to the Procurement Manager or Buyer. If it is later determined that the Offeror knowingly rendered an erroneous disclosure, in addition to other remedies available to the government, the State Purchasing Agent (SPA), Board or Central Purchasing Office may terminate the involved contract for cause. Still further, the SPA or Central Purchasing Officer may suspend or debar the contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the SPA or Central Purchasing Officer.

20. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided all the otherwise responsive proposals failed to meet the same mandatory requirements or doing so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

21. Change in Contractor Representatives

The School District reserves the right to require a change in contractor representatives if the assigned representatives will not or are not, in the opinion of the School District, meeting its needs adequately.

22. Notice

The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and misdemeanor criminal penalties for its violation. The State of New Mexico criminal statutes also impose felony penalties for bribes, gratuities and kickbacks.

23. School District Rights

The School District reserves the right to accept all or a portion of an Offeror's proposal.

24. Right to Publish

Through the duration of this procurement process and contract term, potential offerors and contractors must secure from the School District written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement or the subsequent contract. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or termination of the contract.

25. Ownership of Proposals

All documents submitted in response to the RFP shall become the property of the Taos Municipal Schools. However, any technical or user documentation submitted with the proposals of non-selected offerors may be returned after the expiration of the protest period, by request, at the expense of the Offeror.

26. Ambiguity, Inconsistency or Errors in RFP

Offerors shall promptly notify the Procurement Manager, in writing, of any ambiguity, inconsistency or error which they discover upon examination of the RFP.

27. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of any agreement resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of Taos Municipal Schools.

28. Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence.

29. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. If accepted by such means, the offeror acknowledges and accepts full responsibility to ensure that no changes are made to the RFP. In the event of conflict between a version of the RFP in the Offeror's possession and the version maintained by Taos Municipal Schools, the version maintained by the Schools shall govern.

30. Default

Taos Municipal Schools reserves the right to cancel all or any part of any orders placed under this contract without cost to the School District, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the School District due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the School District shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

31. Conflict of Interest

The Offeror warrants by submitting a proposal that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance or services required. The Offeror certifies that the requirements of the Governmental Conduct Act, NMSA 1978, §10-16-1 through §10-16-18, regarding contracting with a public officer or state employee or former state employee have been followed.

32. Campaign Contribution Disclosure Form

Offeror must complete, sign, and return the included Campaign Contribution Disclosure Form as a part of its proposal. This requirement applies regardless of whether a covered

contribution was made or not made. **Failure to complete and return the signed, unaltered form will result in disqualification.**

33. Preferences

The New Mexico Procurement Code provides for preference for eligible in-state businesses and veteran businesses, under certain conditions. If applicable, preference will be provided to those Offerors that have provided a valid preference certificate with their proposal. **In order for an Offeror to receive any NM preference, the Offeror must submit a copy of their preference certificate with their proposal.** The preference certificate must have been issued by the New Mexico Taxation and Revenue Department. Providing only a preference number or copy of a submitted application is not acceptable and will not qualify the Offeror for any preference. For more information, or to obtain application forms, please go to: <https://www.tax.newmexico.gov/businesses/in-state-veteran-preference-certification/>.

Preference does not apply to contracts that use federal funds.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.
