#### **Comcast/Xfinity WiFi Hotspots**

1. Visit [xfinity.com/wifi](http://xfinity.com/wifi) or use the Xfinity WiFi Hotspots app to see a map of Xfinity WiFi hotspots. All open hotspots, both indoor and outdoor, will be displayed on the map in blue.
2. Once at a hotspot, customers and non-customers should select xfinitywifi from the list of available WiFi networks, and then launch a browser.
3. Xfinity Internet customers can sign in using their Xfinity ID and password to be automatically connected to Xfinity WiFi hotspots in the future. Non-Xfinity Internet customers can connect by clicking the Accept and Connect button. Non-Xfinity customers will be able to renew their complimentary sessions every 12 hours.

#### Building a Community Network:

The Taos Education Collaborative (TEC) seeks to bring together a diverse network of organizations to support the students of Taos in achieving academic excellence and increasing educational outcomes across our community. Participating entities commit to allowing students to use their Internet resources to complete assigned coursework; in turn, they receive a decal to display at their place of business and have their logo displayed and organization named as a partner on participating school websites and TEC promotional materials.

*Together, we can make continuous, connected learning  
a reality for all Taos students.*
