- All vacancies continue to be posted on NMREAP, school website and Workforce Solutions. The HR Department will continue to post and fill positions expeditiously as possible. The current job posting is attached for your review.
- The Transportation Department is facing an extreme shortage of activity school bus drivers thus creating difficulties in fulfilling activity trip requests. With the help of Herrera Transportation, we have transported our athletes to events. One (1) Taos Middle School event was cancelled due to lack of a driver. We will continue our efforts to recruit and retain CDL drivers.
