

What is a Family-School compact?

A family-school compact for achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support that need to reach and exceed grade levels standards

Effective Compacts:

- ✓ **Begin** with standards
- ✓ **Focus** on student learning
- ✓ **Respond** to school data
- ✓ **Define** everyone's responsibilities – and
- ✓ **Depend** on us to believe in it and use it!

Activities to Build Partnerships

We will have exciting learning adventures this year.

- ✓ Student leadership/ mindfulness Wednesday
- ✓ Open House
- ✓ Career Day
- ✓ College Day
- ✓ College campus tours

Communication about Student Learning

Taos cyber magnet School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

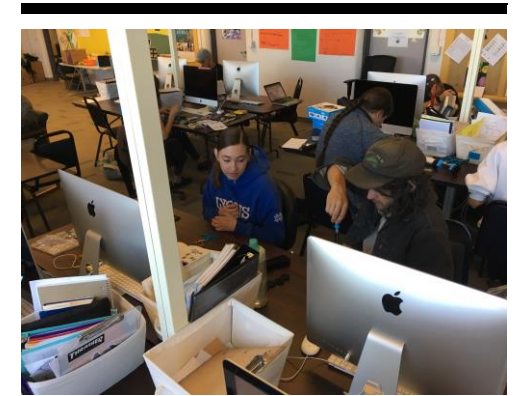

- ✓ **Leadership**
- ✓ **Student led conference**
- ✓ **School websites**
- ✓ **SAT process**

If you have questions about your child's progress call.

2020-2021 Parent/Teacher Compact for Achievement

Taos cyber Magnet School: Combining Technology with opportunity

School- Wide Focus For student success

Our Goals for Students achievement

The Taos Municipal Schools sets goals for the entire district. The district goals for 2020-2021 are:

Reading-All students will show a 15% increase in reading proficiency within three years measured on the partnership for Assessment of Reading for College and Careers (PARCC)

Math-All students will show a 15% increase in mathematics within three years as measured on the Partnership Assessment of Reading for college and Careers (PARCC)

Taos Cyber Magnet Goals

Taos Cyber Magnet Schools administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

New Mexico schools are transitioning from the NM standards to common Core standards and using the new PARCC Assessment.

Reading- To increase readings proficiency by 5% within the schoolyear, our school will concentrate on the following areas:

Balanced literacy including

- *Word Study*
- *Fluency*
- *Understanding of literary terms*
- *Comprehension*
- *Writing*
- *Vocabulary*

Math-To increase reading proficiency by 5% within this school year our school will concentrate on the following areas:

- *Numbers & operation*
- *Algebra*
- *Geometry*
- *Measurement and data*
- *Data analysis/Probability*

In the Classroom

The teacher will work with students and their families to support students in reading and math. Some of our key connections with families will be

- *E-mails and phone call as tools for communications*
- *Reading novels in classroom*
- *Homework for expanding skills and concepts learned in the classroom*
- *Offering in-class tutoring opportunities in Math, and afterschool reading tutoring*

As a teacher I will:

- Teach engaging writing lessons that promote student achievement
- Hire necessary support staff
- Provide a safe learning environment

At Home

I will be involved in my child's education by:

- Ensuring that my student attends school daily and on time both on Edgenuity and Virtual meetings.
 - Ensuring that my student gets Adequate sleep, regular medical attention and proper nutrition
 - Making homework a priority
 - Checking emails and communicating with Mrs. Jensen about my students progress regularly
-

Students

Taos Cyber Magnet School students joined staff and parents to develop ideas about how they can succeed in school

Students will:

- *Come to school daily by working on Edgenuity and joining virtual meetings, ready to learn, work hard, and be prepared*
- *Use my agenda daily*
- *Respect myself, classmates, teachers and property*
- *Know and follow the rules*
- *Make every effort to complete homework and read daily*
- *Create a safe environment for myself and other by not bullying, not allowing others to bully, and report bullying*
