AVID

Advancement Via Individual Determination

AVID binders are a place for students to collect work, reflect on the learning process, and then recollect their learning for the purpose of sharing or studying. Binders promote student agency by empowering students to take ownership of their learning. This will be a school wide initiative where each student in the school will have the same set up in their binders. Teachers will ask students to work out of these binders, save and collect ALL their work.

Power School

The Power School app can be downloaded to all electronic devices, allowing parents/students to monitor grades. Logins and passwords are given to each student on their Chromebook. Power School can also be accessed at www.taosschools.org.

Checking Power School and emailing teachers is the easiest way for parents to participate and get involved in their child's education and academic success.

Daily Schedule

Monday/Wednesday		
7:45-8:25	Advisory	
8:28-9:13	1
